

CAREER OPPORTUNITY

SURVEY CREW CHIEF - HEBER CITY, UT

The Opportunity

Are you a driven professional looking for a place to apply your **creativity**? Are you **innovative**? Do you possess the inspiration to resolve **complex challenges** while providing **valuable solutions** and **building community**?

Welcome to **GDA Engineers**. We are **driven, innovative, problem solvers** and we are looking to fill the position of **Survey Crew Chief** in our Heber City, Utah office location. GDA is a selective employer of engaged, inspired, and deeply committed professionals. GDA builds community with inspired teams designed to integrate technology, innovation, and communication into collaborative infrastructure solutions. We also have a lot of fun!

As **Survey Crew Chief**, your core responsibilities will be performing boundary surveys, topographical surveys, construction surveys, and aviation surveys for both public and private clients. The successful candidate will offer design direction and guidance to technicians and make certain that crews adhere to procedures set by the company, state statutes, and the survey industry.

About GDA Engineers

GDA Engineers has been creating public and private engineering and surveying projects throughout the rocky mountain west since 1953. We offer comprehensive design and consulting services in transportation, land development, municipal infrastructure, and survey imagery and mapping.

With three office locations (and growing), work in seven rocky mountain states, and a lengthy list of clients, we believe that **Our Best Resources are our Human Resources**. We seek to hire great people and put them in the right roles for their strengths.

What You Bring to the Team

- Minimum 3 years of experience working on a survey field crew or 1 year working as a Crew Chief
- Working knowledge of common land survey equipment and MS Office
- Ability to perform physically demanding work in all types of weather
- Insurable driving record
- Strong communication and collaboration skills

More Details

- This position will be based in our Heber City, UT office location
- This is a full-time, benefited position
- Salary range of \$20 - \$25 per hour depending on experience
- Position will remain open until filled
